For the Love of Cocktails

'FOR THE LOVE OF COCKTAILS' is Las Vegas' premier mixology event, featuring hundreds of cocktails, five seminars from industry leading mixologists, three days to experience great cocktails, dine, socialize, and more, all while supporting a great cause.

- Unique Cocktail Stations
- Premier Brands
- Top Mixologists In The Industry
- Drinks & Hors d'oeuvres

- Proceeds benefit the Helen David Relief Fund

The premier cocktail event is back! Last year was an amazing success. We raised thousands for the Helen David Relief Fund and helped bartenders battle breast cancer. We allowed some of our city's top mixologists free reign behind the bar, and the resulting creations were truly amazing. We can't wait to see what the mixologists have in store this year.
